Crying in Denial

Thirsty Merc

I might go out today
And chase those clouds away
Cause life is so much better without her
And when the sun is shining
Ill put this down to timing
Im looking forward to moving onBut Im crying
Im crying in denial again girl
Im crying
Crying in denialAnd where last night she lay
It was well worth the wait
Shes out of my life again and its rockin
I guess I really should
A change will do me good
Sometimes things dont work out, Im sorryBut Im crying
Im crying in denial again girl
Im crying
Crying in denialTake a chance
You never know
Where youll be tomorrow
I can say its gone too far
And if I drive a crashed car
Ill break down
Ill break downBut Im crying
Im crying in denial again girl
Im crying
Crying in denialAnd the guns can find me
The sun can blind me
I tell my story crying
If I say Im alright
Ill be up all night
Im lying
