

# A Piece Of You

Veruca Salt

I'm just trying to live this life of mine  
The more I look, the more I'm blind  
And all I ask for is piece of mind  
And all I want is a piece of you Well I lost my way today  
Back home from work  
The snow fell like dust  
I felt like dirt  
Happens everytime I start to search  
For that long lost piece of you A piece of you  
A piece of you  
A piece of you It seems the last time I was sure  
Of anything  
I sold my heart  
I wore your ring  
But now, the queen has lost her king  
All I want is a piece of you A piece of you  
A piece of you  
A piece of you
