

Unravel

[Björk](#)

While you are away
My heart comes undone
Slowly unravels
In a ball of yarnThe devil collects it
With a grin
Our love
In a ball of yarnHe'll never return it
So when you come back
We'll have to make new loveHe'll never return it
When you come back
We'll have to make new loveWhile you are away
My heart comes undone
Slowly unravels
In a ball of yarnThe devil collects it
With a grin
Our love, our love,
In a ball of yarnHe'll never return it
When you come back
We'll have to make new loveHe'll never return it
When you come back
We'll have to make new loveHe'll never return it
When you come back
We'll have to make new love
