No Other Choice - Live

Tye Tribbett

sometime in life you know
i tried and tried to do things my way
ladies (ay ay ay)
i thought that i was smart enough
i thought i knew enough to handle myself
i now i see the problem was
the struggle was between my will and yours
(not my will God)
so im giving up my will for yours
im totally depending on you
(but Lord) please come through

(everybody say) i have no other choice butt to trust you
that's all i can do
i have no other choice but to believe

now when trouble comes my way
i dont cry i just lift my eyes to the hills
your word says my help is gonna come
im just gone trust in what you say
ladies (ay ay ay)

cause i know every word you say is true
and every promise that you made it will come to
so no matter how long it takes
i'll be here still giving praise
waiting on my faith to come

i have no other choice but to trust you
thats all i can do
i have no other choice but to believe

i have no other choice but to trust you
thats all i can do
i have no other choice but to believe

i believe *repeat 11 times*
