Every Single Dollar

We The Kings

Lately I've been thinking of someone
Someone who just makes me feel like myself
That one who picks me up when I'm feeling blue
And lets me do whatever I want to do
I gotta find that girl
With every single dollar
I'll be sure to buy you flowers
'Cause money ain't no problem when love's free
Oh, I'd trade in all my years
To spend with you a single hour
As long as you'll spend it with me
With every single dollar
I'll be sure to buy you flowers
'Cause money ain't no problem when love's free

Oh, I'd trade in all my years
To spend with you a single hour
As long as you'll spend it with me
Run away with me
And I will take you to the island
Anywhere you wanna go, I'm down, down
We can build a rocket and fly up to every planet
Now we'll spin the world around
With every single dollar
I'll be sure to buy you flowers
'Cause money ain't no problem when love's free
Oh, I'd trade in all my years
To spend with you a single hour
As long as you'll spend it
As long as you'll spend it
So come on and spend it with me
