

Dwell In Your House

Hillsong Live

You set me apart give me a new heart, filled with compassion to share your great love, show me your ways I
want to know you, give me in truth my hope is in you.

(Chorus)

That I may dwell in your house forever lifting up your name,dwell in your house forever more.

I'll hold on to you my strength and my refuge,whom shall I fear I know you are near,all of my days a live for
you Lord,establish my path their's one thing I asked.
