

# No Way Back

## Norther

I no longer feel  
Where do my heart belong  
    This shivering wind  
    Has frozen it to the core  
And the rain that whips my face  
    Covers my tears  
    These dark shades of night  
    Hides my fears(Bridge)  
        There's no way  
        No way back  
Wherever I am walking(Chorus)  
    I hide behind my smile  
    And it hurts me inside  
    I cry without shedding a tear  
I'm sorry this ends hereStill the wind blows  
    And the rain falls on me  
    And I know(Bridge)  
        There's no way  
        No way back  
Forever I am walking(Repeat Chorus x2)
