So it Sadly Goes

No Fun at All

I thought I had a chance to straighten out my life
A chance to heal the sadess that I felt inside
Yeah, I was happy then I wore a stupid smile
I didn't question you I followed like a blindYou can hear me say why
Feeling used I'm feeling downI don't know what I should have said or could have done
We spend our days together had a lot of fun
Then you just walked away and said I'm moving on
All of a sudden everything I had was gone
So it sadly goes out of my hands, not again
