

Little Vacation

[Vic Chesnutt](#)

Like a little vacation
Like a little old song that I wanted to hear
Like a big libation
Like a flattering sentence whispered in my ear That's how I feel
Every time I feel like I want to feel so
Why don't we have a little symposium
And hash out something real Like a scenic vista
Like a long awaited chemical buzz
Like a far off twister
Like an unexpected pleasant run-in with the fuzz That's what I want
Every time I try what I'm trying for
So why don't we have a little council meeting
Where everybody takes the floor Robert's rules of order will be observed
I'll be the parliamentarian
With an unswerving dedication
