Stitches

The Dykeenies

When you feel so weak
and you scratch those stitches
reminding you of why you fell away after the offsetand you cant hold sleep
and you gamble more than enough
you cant depend on themstill, i adore the taste of rain
and the bounce of bone on ground
it reminds memake a wish tonight
all the stars are out
its out of your hands but not out of reach justits not out of reach
no this is not out of reachbut you feel so weak
you've burst those stitches
reminding you just why you felt so cruelstill, i adore the taste of rain
and the bounce of bone on ground
it reminds methat still, i adore the taste of rain
and the bounce of bone on ground
you cant depend on themmake a wish tonight
all the stars are out
its out of your hands but not out of reach just...make a wish tonight
all the stars are out
its out of your hands but not out of reach cause
(its not, its not out of reach)they build you up, they build you updon't , don't run away dear
(darling. you're safe here with me)
don't , don't run away dear
(darling. you're safe here with me)
don't , don't run away dear
(darling. you're safe here with me)
don't , don't run away dear
(darling. you're safe here with me)still, i adore the taste of rain
(darling. you're safe here with me)
and the bounce of bone on ground
(darling. you're safe here with me)
and the crackle of water well in the mark of all your...
(darling. you're safe here with me)make a wish tonight
(darling. you're safe here with me)
all the stars are out
(darling. you're safe here with me)
its out of your hand but not out of reach
(darling. you're safe here with me)
its out of your hand but not out of reach

(darling. you're safe here with me)
