# Get Away

## O.A.R.

Is it me or does it seem
That life just carries on?
Now was it him who said
That life is just a song?
Now I don't know what will
Keep me on this little Earth
I just might use the love
That's all in the dirtBut every damn time
That I see you
I say to myself
She ain't worth it
She ain't worth nothing I got
Ah no no
Nah nahWas it you who said
That my life is over?
Baby it was over from the very start
And did you say that I won't be
Around downtown tomorrow?
Ah yes I will with a hardened heartBut every damn time
That I see you
I say to myself
She ain't worth it
She ain't worth nothing I got
Ah no way
Na uh
