

I Could Get Used to This

'Til Tuesday

So far, should I take it just a little farther?
So good, and if I think about it, it gets better I could get used to this
I could get used to this
I could get used to feeling the way that I do So long, or should I stay a little longer?
So much for keeping it a secret I could get used to this
I could get used to this
I could get used to feeling the way that I do All the times I told myself
I could never fall in love, ah
Love is just too difficult, oh
Too bad, I'm only talking to myself about it
So sad, I guess I'm going to have to live without I could get used to this
I could get used to this
I could get used to feeling the way that I do I know, I know, I know how it goes
Baby, will I get the chance? Oh oh
I could get used to feeling the way that I do, oh oh I know, I know, I know how it goes
And will I get the chance? Oh oh
I could get used to feeling the way that I do
