InfectiousFlesh and bone, soul to soul
Orgies of the dead
Left to rot, melting pot
Lets infection spreadLife kills lifeInfectious

Infectious
(Infectious)Fire and blood, fire in blood
Wounded by the past
Hour of need, jaws of greed
Breeds infection fastLife kills lifeInfectious

Humanity's dyingBlackened brains, clotted veins
Addict culture band
Killing creed, spilling seed
On infected landLife kills lifeInfectious
