

..Or Someone Else Will

Krystal Harris

You say that you love him
You belong to him heart and soul
Then why is he so lonely?
Telling me he's had it with it all
Too much for him to handle love
Yelling and fighting over just the little things
I know it's not your fault
But you better sacrifice, before I have to close [Chorus X 2]
Someone else will
Someone else will love him like you don't
She'll do whatcha couldn't bring yourself to do
So I'm telling you to sacrifice
Or someone else will He told me that you were
The first one to take him to church
You helped turn him around
But that just ain't good enough
If you're the one who truly loves
Sometimes I find myself, thinking you're not good enough
You better get it right, and forget your selfish ways
Or someone else will. [Chorus x 2] Oh, someone else will.
Sometimes I find myself
Thinking you're not good enough
You better get it right
And forget your selfish ways
I think you're not good enough
So someone else will [Chorus x 2]
