

I Lost My Heart When I Found You

[Shania Twain](#)

Kiss me all over is all I can say
I've waited a lifetime to feel this way
You leave me breathless and out of my mind
I'm just so helpless so baby, be kind I lost my heart when I found you
Yeah, and it hurt so good to lose
I lost my heart when I found you
I lost my heart to you You touch me in places, deep in my heart
Imagination runs wild in the dark
Babe, I surrender only to you
I can't remember, how it feels to be blue I lost my heart when I found you
Yeah, and it hurt so good to lose
I lost my heart when I found you
I lost my heart to you You leave me breathless and out of my mind
I'm just so helpless so baby, be kind I lost my heart when I found you
Yeah, and it hurt so good to lose
I lost my heart when I found you
I lost my heart to you I lost my heart when I found you
