

# Beautiful

## Mali Music

It's a blessing to see people  
With their heads up to the sky still  
Cos honestly for the same people  
Life can be so real  
I'm amazed by all your strength, I am  
And I'm grateful you come through yeah, yeah  
So I take this time to stop a moment  
And show my gratitude  
For you I...

I put my lighter in the air for you  
I see what's u doing, yeah I see what's u go through  
Put my lighter in the air, the truth is you're beautiful, beautiful  
Now put your lighter in the air for us,  
Everybody singin' together, sing a new song  
Put your lighter in the air for love is beautiful, beautiful

Many mighty ships are sinking  
Many stars are falling down  
And I count it as a blessing  
That you hold me up now  
I can tell that you've been praying  
My whole life has turned around, yeei yeeeah  
And I can't go without saying  
That I thank God for you all now  
Eh, for you I...

I put my lighter in the air for you  
I see what's u doing, yeah I see what's u go through  
Put my lighter in the air, the truth is you're beautiful, beautiful  
Now put your lighter in the air for us,  
Everybody singin' together, sing a new song  
Put your lighter in the air for love is beautiful, beautiful

Let me hear you say yaa yaa yaa yaa, yaa yaa yaa  
(yaa yaa yaa yaa, yaa yaa yaa)  
Say yaa yaa yaa yaa, yaa yaa yaa  
(yaa yaa yaa yaa, yaa yaa yaa)

Let me hear you say yaa yaa yaa yaa, yaa yaa yaa

(yaa yaa yaa yaa, yaa yaa yaa)  
Say yaa yaa yaa yaa, yaa yaa yaa  
(yaa yaa yaa yaa, yaa yaa yaa)

I put my lighter in the air for you  
I see whatchâ€™u doing, yeah I see whatchâ€™u go through  
Put my lighter in the air, the truth is youâ€™re beautiful, beautiful  
Now put your lighter in the air for us,  
Everybody singin together, sing a new song  
Put your lighter in the air for love is beautiful, beautiful

Let me hear you say yaa yaa yaa yaa, yaa yaa yaa  
(yaa yaa yaa yaa, yaa yaa yaa)  
Say yaa yaa yaa yaa, yaa yaa yaa  
(yaa yaa yaa yaa, yaa yaa yaa)

Let me hear you say yaa yaa yaa yaa, yaa yaa yaa  
(yaa yaa yaa yaa, yaa yaa yaa)  
Say yaa yaa yaa yaa, yaa yaa yaa  
(yaa yaa yaa yaa, yaa yaa yaa)
