

# The Light

[Hollysiz](#)

Let the light come through us  
Let's believe in ourselves  
Let's believe in something  
Let the lights come through us  
Let's believe in ourselves  
Let's blow the dust on shelvesLet the shout-outs locked up in our mouthLet us go  
Let us grow  
Let's believe we can change  
Let's believe in ourselvesLet us go  
Let us grow  
Let's believe we can change  
Let's blow the dust on shelvesLet the shout-outs locked up in our mouthLet's believe in our mindsLet's believe  
we will let the shout-outs locked up in our mouth  
Let the shout-outs locked up in our mouth
