# Aenigma

## Luca Turilli

Zaephyr's sun will shine
Sun will shine no moreAenigma second star book
Told unforgotten secrets
Of prophets screaming terror
Of a last eclipse, of a comet's fallOf a divine war
Fought between star lords
Of a black portal
To unknown worldsAenigma second star book
Told unforgotten secrets
Of prophets screaming terror
Of a last eclipse, of a comet's fall
