Advisory - the following lyrics contain explicit language:

Chorus]

You can catch me sittin sideways  
In somethin pretty with the ratchet on me  
I stay strapped cause I always keep a package on me

DIRTY!

It get serious \*\*\*\*\*s die here

Ya'll \*\*\*\*\*s had it up til now

This is my year[Verse 1]

I'm dirty!

Movin coke thru the turnpike

These \*\*\*\*\*s call me Michael Jackson cause they know the Don turn white

I live the goons life and move with the moonlight

A 100 bricks in the dark will turn the room white

Greenville yeah we grindin around here

Sittin sideways with guns the size of dinosaur tales (ha ha)

Step your swag up I only move with smart dudes

And my trap pump more than your heart do

Fishscale yeah I'm scarred for life

Slinging bricks in the jungle I got a Tarzan price

Plus the money longer than the vines he swings on

While ya'll \*\*\*\*\*s breakin buds we cut them bales with the chainsaw

DIRTY!

Extra clip when it \*\*\*\*\* back

Carbon 15 got more drums than a rock band

Ridin in a drop man I got plenty of raw

White on white benz the same color as some dental floss

\*\*\*\*\* fed fishscale move the big fish

I'm so breaded you can call my money fish sticks[Chorus]

You can catch me sittin sideways

In somethin pretty with the ratchet on me

I stay strapped cause I always keep a package on me

DIRTY!

It get serious \*\*\*\*\*s die here  
Ya'll \*\*\*\*\*s had it up til now  
This is my year[Verse 2]  
I'm dirty!  
And my eyes sittin real low  
And the coupe doors up like I just kicked a field goal (ha ha)  
And hop off in the tahoe  
I blow so much color purple you can call me Harpo  
Ya'll \*\*\*\*\*s cant get close to the Don  
Yeah I got more scraps then ya moms throw to the dogs  
Bloody dollar make you fatal homie  
If I kill you the only way they find you is they gotta cut a couple gators open  
I been gangsta since I been born  
And these \*\*\*\*\* \*\*\*\*\*s phonier than a [ ? ] corn  
Ima renegade! I'll blow ya \*\*\*\*\*in head off  
Chopper so big look like I pulled my \*\*\*\*\*in leg off  
Sittin sideways I gotta kill the track  
I swear Dondada got more white than opposite of black  
This game been mine and ya'll tryin to get it back  
And plus I love all ya'll haters shit opposites attract  
And I got a red flag and I got a red hoe  
And I'm grindin off in China so I'm gettin red dough  
\*\*\*\*\* a lil beamer Dada whip a red rove  
In the inside Rudolf outside red nose  
I keep cocaine money ya heard I'm dirt rich  
That means I got more fish and bread than Jesus fed with[Chorus]  
You can catch me sittin sideways  
In somethin pretty with the ratchet on me  
I stay strapped cause I always keep a package on me  
DIRTY!

It get serious \*\*\*\*\*s die here  
Ya'll \*\*\*\*\*s had it up til now

Now shits about to get wicked  
And bullets jumpin out the chopper like some motha\*\*\*\*\*in crickets  
Greenville! Thats my home it gets dirty here  
Aint nothin for a \*\*\*\*\* to get murdered here  
I'm movin quick fast for this quick cash  
And keep a package on me like a \*\*\*\*\* with a shit bag  
Fresh out of jail so the Don do it the con way  
Hit the runway and holla at fam off in Conway  
This the Don way matta fact the Don day  
And I only move 2 blocks like a pawn play  
This my day off and dont feel like touchin nothin

But I got some cocaine thats jumpin like she double dutchin! [Chorus]
