I Want You (Drums Up)

Alana Davis

I've seen suckers lose themselves in the games they learn to play
Children love to sing but then their voices slowly fade away
People always take a step away from what is true
That's why I like you aroundI want you
Oh, you do you, do you, do you, do you
Do you, do you, do you, do you make me want youAn open invitation to the dance, happenstance set the vibe that we are in
No apology because my urge is genuine and the mystery of
[Incomprehensible]
Here I am and I don't wanna take a hit of your scent
'Cause it dip so deep into my soulI want you, oh yeah
Yeah, you, do you, do you, do you, do you
Do you, do you, do you, do you make me want you, oh yeah
Yeah, you, do you, do you, do you, do you
Do you, do you, do you, do you make me want youAnd I can't get enough
And I can't get enough
And I can't get enough
[Incomprehensible]The village church yard is filled with bones weeping in the grave
The silver lining of clouds shines on people Jesus couldn't save
You wanna know how deeply my soul goes, deeper than bones
Deeper than bonesAnd I can't get enough
And I can't get enough
And I can't get enough
And I can't get enoughAfter we did it by the window sill
Smoke rings drifting into the sky
Wrapped in the quilt that my momma gave
A worn candle burns fighting off the hazeAnd I talk real sweet and kiss me on the cheek
Like a jazz DJ you talk me into sleep
There will be no regrets when the end come
And it will surely comeOh yeah, you, do you, do you, do you, do you
Do you, do you, do you, do you make me want you, oh yeah
Yeah, you, do you, do you, do you, do you
Do you, do you, do you, do you make me want you
I want youYeah, you, do you, do you, do you, do you
Do you, do you, do you, do you make me want you, oh ah yeah
Yeah you, do you, do you, do you, do you
Do you, do yeah, I want you, I want youBaby, we're so much alike
Baby, tell me what you're like

We're so real
