You Are Everything

Human Nature

Today, I saw somebody who looked just like you
She walked like you do, I thought it was you
As he turned the corner, I called out your name
I felt so ashamed when it wasn't you, wasn't you
You are everything and everything is you
You are everything and everything is you
You are everything and everything is you
How can I forget when each face that I see?
Brings back memories of being with you
I just can't go on living life as I do
Comparing each girl to you
Knowing they just won't do, they're not you
You are everything and everything is you
You are everything and everything is you
You are everything and everything is you
You are everything, everything is you
You are everything, everything is you
You are everything, everything is you
