I Stand Alone

Steve Perry

I Stand Alone
Like every tree stands on its own
Reaching for the sky I stand alone.
I share my world with no one else.
All by myself I stand alone.
I know the sound of each rock and stone
I embrace what others fear
You are not to roam in this forgotten place
Just the likes of me are welcome here
Everything breathes
And I know each breath
For me it means life
for others it's death.
It's perfectly balanced, perfectly planned,
It's more than enough for this man
Like every tree stands on its own
Reaching for the sky I stand alone
I share my world
With no one else
All by myself I stand alone
Deep in the darkness my heart still sees
Everything that I'll never be

Behind these eyes I'll go everywhere
There's no need for sympathy
Everything breathes and I know each breath
In my world there's no compromise
Like every tree stands on its own
Oh reaching for the sky I stand alone
I share my world with no one else
All by myself...
Still
I will remember
Still
I'll run with you, yes
And when it's time for you to go
Take me in your heart
Like every tree
Stands on its own

Oh reaching for the sky I stand alone
I share my world with noone else
All by myself
I stand alone
All by myself... all by myself
I stand alone
