Flesh Remover

Bis

I aim a flesh remover, systematic abuser and I'd love to think
That you don't really care
I am a flesh remover, super +modern Medusa and I'd love to think
That you don't really careYou need the enemy, I need the enemy.I am a flesh remover, you got a brain? I could use you, and l'd love to thin
That you don't really care
I am a flesh remover, a sad and lonely confuser and I'd love to to think
That you don't really care
You are the enemy, I am the enemy.
