What Else Could I Do

Don Conoscenti

What else could i do? SONG by Don Conescenti

Verse 1

Wire fences along the prairie

Wooden cross along the road

Great whilte Father and all his Soldiers

Made Ghost of the Buffalo.

I tell the young ones

to keep the old ways.

They say those are easy words for you

CHORUS

My dear Grandson. My sweet Granddaughter .

yes i am old my days are few.

But if the lives of all your people

Were in your hands What would you do?

Verse 2

They killed my son

Stole my woman

Burned the lodges , took our food.

Ball and chain, around my ankles.

Hey What else could i do?

REPEAT CHORUS

Verse 3

Iron horses down in the Valley

Silver birds up in the blue.

Yeah i signed papers, to free my people

hey what else could id?

what else could i do?

Hey...what else could i do?
