

# Send Me A Postcard

## Shocking Blue

Before loneliness  
Will break my heart  
Send me a postcard,darling  
How can I make you understand  
I wanna be your woman

Here I'm waiting for a little sign  
Waiting till the end of time  
Send me a postcard,darling  
Send me a postcard now

I can't taste a lonely night  
I need someone I can turn to  
Look out for the day I get a little sign  
I want to know your own mind  
Now

Now please don't let me down  
Ain't no lover like me in town  
Send me a postcard,darling  
Send me a postcard now
