

# Little Motel

## Modest Mouse

I hope that you like it in your little motel  
And I hope that the suite sleeps and suits you well  
Well, I can see it as time and a sight through smell, and  
That's why it's nice to be by yourself

[Chorus]

Cause that's what I'm waiting for  
That's what I'm waiting for  
That's what I'm waiting for, aren't I?  
That's what I'm waiting for  
That's what I'm waiting for  
That's what I'm waiting for, darlin'

We treat mishaps like sinking ships, and  
I know that I don't want to be out to drift  
Well, I can see it in your eyes, like I taste your lips, and  
They both tell me that we're better than this

[Chorus]

We trade tit for tat, like that for this  
And I don't think that there was an insult that was missed  
I can see it in your eyes, like I taste your lips, and  
I'm very sorry

[Chorus]

It rained, over the remains of a shooting star  
Landed directly on our broke-down little car  
Before that we had made a wish  
That we would be missed  
If one or the other just did not exist

[Chorus]

That's what we're waiting for  
That's what we're waiting for  
That's what we're waiting for, aren't we?
