Weeping Willow

Caz Latham

When morning breaks
We had our eyes and our lungs aching
Nothing's strange
It was in our hands
From six to ten
It slipped right out againThere'll be no better time
There'll be no better way
There'll be no better day to save me
Save me, yeah save me, yeah save meI hope you see like I see
I hope you see what I see, yeah, yeah
I hope you feel like I feelAnd the world don't stop
There is no time for cracking up
Believe me friend
'Cause when freedom comes
I'll be long gone
You know it has to endThere'll be no better time
There'll be no better way
There'll be no better day to save me
Yeah save me, yeah save me, yeah save meI hope you see like I see, yeah, yeah
I hope you feel what I feel, yeah, yeah
Someone to stand beside meBeside me, beside me, beside me
Beside me, beside me, beside me
Beside me, beside me, beside meWeeping willow
The pills under my pillow
Weeping willow
The pills under my pillow
Weeping willow
The gun under your pillow
Weeping willow
Weeping willowBeside me
Yeah, beside me
Yeah, beside me
Yeah, beside me
