Major Lazer

Now in comes di ting called
Major Lazer number one sound inna dancehall
We stand tall
Sound boy diss and fall
That's all, uh We ready fi di war
I see di fear in a ya eyes
I can smell the desperation
But we have dubplates galore
Major Lazer sound yes a we rule di nation Tonight a little drum pan will die
Sound boy eradication
And it no really matter what you try Stiggy-diggy-diggy-don
Well reggae music a di people's choice
Use this rhythm and make your sound play nice A Major Lazer
A knock dun di place
Now di time to test out di bass
Now make it roll Now make it
Now make it Stiggy-diggy-diggy-don
Well reggae music a di people's choice
Use this rhythm and make your sound play nice A Major Lazer
A knock dun di place
Now di time to test out di bass
Now make it We ready fi di war
I see di fear in a ya eyes
I can smell the desperation
But we have dubplates galore
Major Lazer sound yes a we rule di nation Tonight a little drum pan will die
Sound boy eradication
And it no really matter what you try
This is your final destination Now make it
