

# Nancy Boy (Sex Mix)

## Placebo

Alcoholic kind of mood  
Lose my clothes  
Lose my lube  
Cruising for a piece of fun  
Looking out for number one  
Different partner every night  
So narcotic outta sight  
What a gas  
what a beautiful ass  
And it all breaks down at the role reversal  
Got the muse in my head she's universal  
Spinnin' me round she's coming over me  
And it all breaks down at the first rehearsal  
Got the muse in my head she's universal  
Spinnin' me round she's coming over me  
Kind of buzz that lasts for days  
Had some help from insect ways  
Comes across all shy and coy  
Just another nancy boy  
Woman man or modern monkey  
Just another happy junkie  
Fifty pounds  
Press my button  
Going down  
And it all breaks down at the role reversal  
Got the muse in my head she's universal  
Spinnin' me round she's coming over me  
And it all breaks down at the first rehearsal  
Got the muse in my head she's universal  
Spinnin' me round she's coming over me  
Does his makeup in his room  
Douse himself with cheap perfume  
Eyeholes in a paper bag  
Greatest lay I ever had  
Kind of guy who mates for life  
Gotta help him find a wife  
We're a couple  
When our bodies double  
And it all breaks down at the role reversal  
Got the muse in my head she's universal  
Spinnin' me round she's coming over me  
And it all breaks down at the first rehearsal  
Got the muse in my head she's universal  
Spinnin' me round she's coming over me  
And it all breaks down at the role reversal

Got the muse in my head she's universal  
Spinnin' me round she's coming over me  
And it all breaks down at the first rehearsal  
Got the muse in my head she's universal  
Spinnin' me round she's coming over me
