

# It's So Hard

## Big Punisher

[Big Punisher]

You can catch me in the cherry red one-fifty

    Got the grizzly locked in the stizzy

    Pop the clizzy goin sixty down a one-wizzy

    Drunk pissy, tryin to cruise through the avenue

While my peoples is poppin bottles up in ??Sue's rendevous??

    Fuck that, spun the U-ey lost a hubcap

    It's back to the shack - came back and now, "What's that?"

    Straight from Paris, checkin Gaby's new baby carriage

    Perr Ellis (nice), auburn cherry reddish

    Fresh out the dealer, got the Tec for the squealers

    Wear a vest for the killers, nuttin less cause it's reala  
    in the Big Apple, where it's quick to get your shit tackled

    Enemies spit at you, best friends kidnap you

    Trust no one (eh eh) got beef bust yo' gun

You don't need no one (nope) talkin bout that you owe him

    I'ma go for dolo - Scarface without Manolo

One deep, I be solo, bustin heat, throwin bolos, it's hard

    Chorus 1 + 2 overlap

    Chorus 1: Donnell Jones

    And it's so haaaaard, yeah

Niggaz wanna be like Pun, but they don't bust they guns  
    and it's so haaaaard..

Niggaz wanna fuck my wife, niggaz wanna take my life  
    but it's so haaaaard..

    Chorus 2: Big Punisher

    It's hard work baby

I just lost a hundred pounds, I'm tryin to live

    I ain't goin nowhere I'm stayin alive baby..

    That's my wife, I paid for them titties

    Get your own, your own, ya heard?

Niggaz wanna fuck my wife, niggaz wanna take my life  
    but it's so haaaaard..

[Big Punisher]

Rollin with the Squad, we like Gods

    Catch us at the bar-de-bar-de-bars

Flip bars in Miami, almost came home with the Grammy

    Next year, bringin home three for the family

Watch me, you can catch it live on the Hitachi  
Poppin shit like a Nazi, iced out like DeBiase  
    Fuck that, Liberace  
    Fo'-X Versace, somebody stop me!  
Never that, SKEE-YU! Where my niggaz at?  
Uptown! Uptown! You know you feelin that  
    "Cash Rule," hardcore you can dance to  
That old Biggie give me, "Onnne More Chaaaaance."  
    Take a glance and I'm off with yours  
    with both hands take off my drawers  
    and jerk me like the Source Awards  
I love hip-hop, I ain't even probably the best lyricist alive  
    Terror Squad nigga stop sleepin, ooh yeah  
    [Big Punisher] - overlaps chorus  
    What you say your name was again?  
And I know you from where? Elementary school?  
    .. I don't know you maaaaan!  
    Money, not you again  
    Go THAT way!  
    Loser!  
Chorus 3: Donell Jones (starts where Pun says "I don't know you")  
    Niggaz wanna be like Pun, but they don't bust they guns  
    and it's so haaaaard..  
    Niggaz wanna fuck my wife, niggaz wanna take my life  
    but it's so haaaaard..  
    Yeah, cause you ain't fuckin my wife, takin my life  
    And if you just hatin just walk on by...  
    All you haters just walk on by
