

The Other Side

Aerosmith

Mmm, mmm, mmm, mmm, mmm, mmm
Mmm, mmm, mmm, mmm, mmm, mmm, mmm mmm

Come on

Lovin' you has got to be
(take me to the other side)

Like the devil in the deep blue sea
(take me to the other side)

Forget about your foolish pride
(take me to the other side)

Oh take me to the other side
(take me to the other side)

My mama told me there'd be days like this
And man she wasn't foolin'

'cause I just can't believe the way you kiss
You opened up your moth with bated breath

You said you'd never leave me

You love me, you hate me, I tried to take the loss
You're cryin' me a river but I got to get across

Lovin' you has got to be
(take me to the other side)

Like the devil in the deep blue sea
(take me to the other side)

Forget about your foolish pride
(take me to the other side)

Oh take me to the other side
(take me to the other side)

I'm lookin' for another kind of love
Oh lordy, how I need it

The kind that likes to leap without a shove
Oh honey, best believe it

To save a lot of time and foolish pride
I'll say what's on my mind, girl

You love me, you hate me, you cut me down to size
You blinded me with love and, yeah, it opened up my eyes

Lovin' you has got to be
(take me to the other side)

Like the devil and the deep blue sea
(take me to the other side)

My conscience got to be my guide

(take me to the other side)
Oh honey, take me, take me, take, take, take, take
Take me to the other side
I'm lookin' for another kind of love
Oh, lordy, how I need it
The kind that likes to leap without a shove
Honey, you best believe it
Now I ain't one for saying long goodbyes
I hope all is forgiven
You loved me, you hate me, I used to be your lover
You know you had it coming, girl
So take me to the other side
Take me to the other side, take me to the other side
Lovin' you has got to be
(take me to the other side)
Like the devil and the deep blue sea
(take me to the other side)
My conscience got to be my guide
(take me to the other side)
Oh honey, take me to the other side
Lovin' you has got to be
(take me to the other side)
Like the devil in the deep blue sea
(take me to the other side)
Forget about your foolish pride
(take me to the other side)
Oh take me to the other side
(take me to the other side)
