

Free Me

Roger Daltrey

Free me
Can't you hear that's what I say
Free me
Anyhow or anyway I hear a voice
Call in the night
Push on the brain
Fades with the light And I've seen a face
With so many eyes
Out in the words
Know there lies Can't you hear me say
Can't you hear me say
Can't you hear me say Free me, free me
Inside I'm bleeding, can't you see
Free me
From all this pain and misery I am a flame
But he held the fire
Call me a fool
Don't call me a liar Take me to hell
And let me stay
Get back some prize
Well, I have to pay Can't you hear me say
Can't you hear me say
Can't you hear me say Free me I lie awake
Burning inside
No where to run
And no where to hide Old lady time
She's no friend to me
I feel her change
And she holds the key Can't you hear me say
Can't you hear me say
Can't you hear me say Free me, free me
Can't you hear that's what I say
Free me
Anyhow or anyway
