

# You Don't Mean Anything (Feat. Joel Madden)

## Simple Plan

Maybe I'm just not good  
Enough for you  
And maybe I just don't want to  
Be like you And maybe I just don't  
Want to know  
How low you're ready to go  
I'm not gonna change  
You can't make me You don't mean anything to me  
You're what I never want to be Tell me does it feel good  
To be like you  
Tell me why should I waste  
My time with you Cause maybe you always  
Bring me down  
I'm sick of being pushed around  
I'm not gonna change  
You can't make me I know you think you know me  
You don't know anything  
I know you want to help me  
I don't need anything  
Don't tell me where to go  
I don't need you to know
