

Then You Can Tell Me Goodbye

Johnny Tillotson

Kiss me each morning for a million years
Hold me each evening by your side
Tell me you love me for a million years
Then if it don't work out then if it don't work out
Then you can tell me goodbyeSweeten my coffee with a morning kiss
Softten my dreams with your sigh
And after you've loved me for a million years
Then if it don't work out then if it don't work out
Then you can tell me goodbyeIf you must go I won't grieve
If you'll just wait a lifetime before you leave
If you must go I won't say no but so we can say that we try
Tell me you love me for a million years
Then if it don't work out then if it don't work out
Then you can tell me goodbye then you can tell me goodbye
