

Strange

Tokio Hotel

A freak of nature
Stuck in reality
I don't fit the picture
I'm not what you want me to be
Sorry
Under the radar
Out of the system
Caught in the spotlight
That's my existence
You want me to change
But all I feel is strange
Strange
In your perfect world
So strange
Strange
I feel so absurd in this life
Don't come closer
In my arms
Forever you'll be strange
Strange
You want to fix me
Push me
Into your fantasy
You try to give me
Sell me
A new personality
You try to lift me
I don't get better
What's making you happy
Is making me sadder
In your golden cage
All I feel is strange
Strange
In your perfect world
So strange

Strange
I feel so absurd in this life
Don't come closer

In my arms
Forever you'll be strange
Strange like me
(Strange)
When you touch me
(Strange)
When you kill me
(Strange)
All I feel is strange
(Strange)
In my dreams
Together we'll be
Strange
Strange
Strange
In your perfect world
Strange
(I am so strange)
Strange
(I am so afraid)
Strange
Strange
In your perfect world
So strange
Strange
I feel so absurd in this life
Don't come closer
You'll die slowly
In my arms
Forever you'll be
Strange
Strange like me
