

# Fight the Fight

## Grave Digger

Raging on a warpath, storming through the town

Blowing it to pieces, killing all around

Fighting for existance, looking for a way

Now it's getting harder, it's the price you pay

Black or White - it's no different kind

Black or White - the leader are so lind

Fight The Fight

Fight for Your Right

Fight The Fight

And See The Light

Crossing bloody streets, waiting for attack

Living for a moment, never turning back

Striking down the white, killing all in sight

It's a state of hate, where fires burning bright
