It Could Be Sweet

Portishead

I don't want to hurt you
No reason have I but fear
And I ain't guilty of crimes accused me of
But I'm guilty of fear
I'm sorry to remind
You but I'm scared of what we're creating
This life ain't fair
You don't get something for nothing
Turn now
Gotta try a little harder
It could be sweet
Like a long forgotten dream
And we don't need them
To cast the fate we have
Love don't always shine through
'Cause I don't wanna lose
What we had last time, your leaving
This life ain't fair
You don't get something for nothing
Turn now

Gotta try a little harder
It could be sweet
But the thoughts we try to deny
Take a toll upon our lives
We struggle on in depths of pride
Tangled up in single minds
'Cause I don't wanna lose
What we had last time, your leaving
This life ain't fair
You don't get something for nothing
Turn back
Gotta try a little harder
Oh, cause I don't wanna lose
What we had last time, your leaving
This life ain't fair
Oh, no, you don't get something for nothing
Turn back
Gotta try a little harder

It could be sweet
