

# It Could Be Sweet

## Portishead

I don't want to hurt you  
No reason have I but fear  
And I ain't guilty of crimes accused me of  
But I'm guilty of fear  
I'm sorry to remind  
You but I'm scared of what we're creating  
This life ain't fair  
You don't get something for nothing  
Turn now  
Gotta try a little harder  
It could be sweet  
Like a long forgotten dream  
And we don't need them  
To cast the fate we have  
Love don't always shine through  
'Cause I don't wanna lose  
What we had last time, your leaving  
This life ain't fair  
You don't get something for nothing  
Turn now

Gotta try a little harder  
It could be sweet  
But the thoughts we try to deny  
Take a toll upon our lives  
We struggle on in depths of pride  
Tangled up in single minds  
'Cause I don't wanna lose  
What we had last time, your leaving  
This life ain't fair  
You don't get something for nothing  
Turn back  
Gotta try a little harder  
Oh, cause I don't wanna lose  
What we had last time, your leaving  
This life ain't fair  
Oh, no, you don't get something for nothing  
Turn back  
Gotta try a little harder

It could be sweet
