Venus (Hypnotic)

Paul Oakenfold

Une chance, une danse, un rendez-vous en France
L'amour, la tour, onS'aimera pour toujours
Une chance, une danse, un rendez-vous en France
L'amour, la tour, on s'aimera pour toujoursI know me and you, hey mister, mister New York
You know I've no problem giving ya what you want, want
But what does it mean to you? Don't play me, no no no
Don't you do me wrong, wrong, y'know I'll be long goneListen
Melodies, hypnotic in bed
Heighten my dress
The pleasures ahead
Distant embrace, he whispers plans
My heaven is hell
The angel to save
Stuck between heaven and hell
I am all your's
Never alone
We belong to the end
Bar the others
The sign of it is
I am all your's
Never alone
We belong to the end
Bar the others
The sign of it is[2x]
I can, hey let me give you my love
And if you like it, lay next to me in the mornin'
Noon and night, yeah, I'll
Lullaby ya
I wanna make you my man
Alright yeahI know me and you, hey mister, mister New York
You know I've no problem giving ya what you want, want
But what does it mean to you? Don't play me, no no no
Don't you do me wrong, wrong, y'know I'll be long gone
ListenUne chance, une danse, un rendez-vous en France
L'amour, la tour, on
