

# An Agreement Called Forever

## 36 Crazyfists

Cave in and try to take away  
All that I have, all I betray  
So much damage I've done  
Well this I know, that I just fail Turn me on me  
Turn me on me 'Cause this is everything  
I've stripped away, I've stripped away This is me, well this I know  
This is me, well is it? Well the youth has certainly gone away  
And at times, and I'd like to erase  
Please don't see that I can't have loyalty  
'Cause I just fail Turn me on me  
Turn me on me 'Cause this is everything  
I've stripped away, I've stripped away And I have tried to sit you down and take the fall  
Look you in the eye and tell you it all  
And I have tried to sit you down and take the fall  
To look you in the eye and tell you it all I fail  
I fail, I fail, I fail 'Cause this is everything  
I've stripped away, I've stripped away This is me, well this I know  
This is me  
I fail, I fail, I fail, I fail 'Cause this is everything  
I've stripped away, I've stripped away
