

# Invisible Sun

Sting

1 2 3 4 5 6 I don't want to spend the rest of my life  
Lookin' at the barrel of an armalite  
I don't want to spend the rest of my days  
Keepin' out of trouble like the soldiers say I don't want to spend my time in hell  
Lookin' at the walls of a prison cell  
I don't ever want to play the part  
Of a statistic on a Government chart There has to be an invisible sun  
It gives its heat to everyone  
There has to be an invisible sun  
That gives us hope when the whole day's done It's dark all day and it glows all night  
Factory smoke and acetylene light  
I face the day with me head caved in  
Lookin' like somethin' that the cat brought in There has to be an invisible sun  
It gives its heat to everyone  
There has to be an invisible sun  
That gives us hope when the whole day's done And they're only goin' to change this place  
By killin' everybody in the human race  
They would kill me for a cigarette  
But I don't even wanna die just yet There has to be an invisible sun  
It gives its heat to everyone  
There has to be an invisible sun  
That gives us hope when the whole day's done
