

# The Four Horseman (OST X-Men: Apocalypse 2016)

## Metallica

By the last breath the fourth winds blow  
Better raise your ears  
The sound of hooves knock at your door  
Lock up your wife and children now  
It's time to wield the blade  
For now you've got some companyThe Horsemen are drawing nearer  
On leather steeds they ride  
They've come to take your life  
On through the dead of night  
With The Four Horsemen ride  
Or choose your fate and dieOH, YEAH YEAH!  
You have been dying since the day you were born  
You know it's all been planned  
The quartet of deliverance rides  
A sinner once, a sinner twice  
No need for confessions now  
'Cause now you've got the fight of your life  
The Horsemen are drawing nearer  
On leather steeds they ride  
They've come to take your life  
On through the dead of night  
With The Four Horsemen rideOr choose your fate and die  
OH, YEAH YEAH!  
Time  
has taken its toll on you  
The lines that crack your face  
Famine  
your body it has torn through  
Withered in every place  
Pestilence  
for what you had to endure  
And what you have put others through  
Death  
deliverance for you for sure  
Now there's nothing you can do  
So gather 'round young warriors now  
And saddle up your steeds  
Killing scores with demon swords  
Now is the death of doers of wrongSwing the judgement hammer down

Safely inside armor blood guts and sweat  
The Horsemen are drawing nearer  
On leather steeds they ride  
They've come to take your life  
On through the dead of night  
With The Four Horsemen ride  
Or choose your fate and die  
OH, YEAH YEAH!
