

I'll Be The One

[Phil Vassar](#)

You'll never know
How much you touch my soul
You're so beautiful
And I'm so gone
Please understand
I'm only just a man
But I'll give you all I am
From here and now on
I'll be the one, the one you hold
I'll wrap my love around you until time grows old
That ray of faith that glimpse of sun
Baby, only everything I'll be the one
Trust this much
I'll always believe in us
And I'll never give it up
For anything ever
I'll be the one, the one you hold
I'll wrap my love around you until time grows old
That ray of faith that glimpse of sun
Baby, only everything I'll be the one
Lay down beside me
Right down here beside me
There's so much inside girl
And I want to share it with you
My love, whatever I do
I'll be the one, the one you hold
I'll wrap my love around you until time grows old
That ray of faith that glimpse of sun
Baby, only everything I'll be the one
I'll be the one
I'll be the one
