

# Dump Me

## Frickin' A

My girl is unpredictable  
Swears, I'm the only one for her  
But she never wants to be alone with me  
She says she's only havin' fun  
And I hope that she  
Will come running back to me  
In this reality  
She goes out every weekend  
Yeah, hangin' with all my friends  
No matter what I do, I just can't win  
And I think, I think she's gonna dump me  
Stood me up on Tuesday  
Our 3 month anniversary  
I might not make it through the day  
Well I think, think she's gonna dump me, yeah, oh no  
I want her to wear my ring  
But she flirts with everyone but me  
It's like I've got a bad disease  
She says she's only havin' fun  
And it's killing me  
I hope that she's still mine  
In this reality  
She goes out every weekend  
Yeah, hangin' with all my friends  
No matter what I do, I just can't win  
And I think, I think she's gonna dump me  
Stood me up on Tuesday  
Our 3 month anniversary  
I might not make it through the day  
Well, I think, think she's gonna dump me, yeah, oh no, yeah, oh no  
I came home from picking up roses  
I wanna make it all okay  
She left a message for me  
And when I pushed play  
I'm busy this weekend  
And I'm sleeping with your best friend  
Sorry this is the end  
I think she dumped me  
But he's only gonna use her  
They could never be what we were  
And I feel like a loser  
'Cause she just, she just dumped me  
Stood me up on Tuesday  
Our 3 month anniversary  
She told everyone, I might be gay  
And then she, and then she dumped me, yeah  
She's so mean  
She just dumped me, yeah  
On my machine  
She just dumped me, yeah  
She's so mean
