

# All Night

## Big Boi

If it's all right  
I wanna kick it with you all night, all night  
Have a good time  
Ain't gotta worry 'cause it's all right, it's all right  
All night, and all night, and all night, baby  
Don't be shy, don't be shy, don't be shy, baby  
All night and all night  
Ain't gotta worry 'cause it's all right, it's all right  
It's alright, it's okay  
Everybody gonna say what they wanna say  
Players gonna play when they wanna play  
Long way, only for one night like Luther Vandross, right?  
No way, Daddy Fat Saxxx don't skip no days  
To eat her, meet her, greet her  
Treat her like a queen then I give her that peter, jack  
That's how we procreate  
Take care my babies, I'mma cope the weight  
I'mma carry the load, and I'mma win the bread, as well  
No tricking off with my girl  
Your chicken all on my girl  
She thick with all of her curves  
Plus she got a mind on her  
Street smart, book smart, built by design for me  
Gotta hold her up, 'cause she always holding me down  
Like a bank robber with a note, give it to the teller, so she know we ain't fucking around  
It's something 'bout that company  
I send for you if you come for me  
Come for me if it's all right  
I wanna kick it with you all night, all night  
Have a good time  
Ain't gotta worry 'cause it's all right, it's all right  
All night and all night and all night, baby  
Don't be shy, don't be shy, don't be shy, baby  
All night and all night  
Ain't gotta worry 'cause it's all right, it's all right  
It's alright, it's okay  
I been feeling good, now a nigga feeling great  
Started as a little hood nigga from Savannah then I moved to the A (AYE!)  
Dirty, dirty, see we grew up on Vogues and 30s  
Sucking up game like a WetVac

Put it out, eat it up, get it right back  
They ain't worthy, sometimes I think they don't deserve me  
Big cold as the ice in your night cap  
Hit you with your bonnet on by the night-lamp  
We don't discriminate, we just want you to participate  
It takes two to tango, now where the day go?  
This ain't that same old, same old, old same shit  
We done switched it up like a plain clothes  
5-0, 12: same code  
My flow? Hell, stay frozeIt's something 'bout that company  
I send for you if you come for me  
Come for melf it's all right  
I wanna kick it with you all night, all night  
Have a good time  
Ain't gotta worry 'cause it's all right, it's all right  
All night and all night and all night, baby  
Don't be shy, don't be shy, don't be shy, baby  
All night and all night  
Ain't gotta worry 'cause it's all right, it's all rightI just wanna boogie with you, with you  
Do anything that you wanna do, wanna do  
Girl, I just wanna boogie with you, with you, with you  
Ahh, yeah  
I just wanna boogie with you, with you  
Do anything that you wanna do, wanna do  
Girl, I just wanna boogie with you, with you, with you  
WooIf it's all right  
I wanna kick it with you all night, all night  
Have a good time  
Ain't gotta worry 'cause it's all right, it's all right  
All night and all night and all night, baby  
Don't be shy, don't be shy, don't be shy, baby  
All night and all night  
Ain't gotta worry 'cause it's all right, it's all right
