This Is All I Ask

Perry Como

Beautiful girls, walk a little slower
When you walk by me
Lingering sunsets, stay a little longer
With the lonely seaChildren everywhere
When you shoot at bad men, shoot at me
Take me to that strange enchanted land
Grown-ups seldom understandWandering rainbow, leave a bit of color
For my heart to own
Stars in the sky, make my wish come true
Before the night has flownAnd let the music play
As long as theres a song to sing
And I will stay younger than springWandering rainbow, leave a bit of color
For my heart to own
Stars in the sky, make my wish come true
Before the night has flownAnd let the music play
As long as theres a song to sing
And I will stay younger, in every way younger
Yes, I will stay younger than the spring
