

# Hey Girl (feat. Florence Welch)

[Lady Gaga](#)

[Chorus: Lady Gaga & Florence Welch]

Hey girl, can you hear me? Are you holding out your heart?

Hey girl, do you feel me? Sometimes I go too far

Hey girl, it ain't easy, I know it's pulling me apart

But darling, don't you leave me

Baby, don't you leave me

Hey girl, hey girl

We can make it easy if we lift each other

We don't need to keep on one-upping another
