

Your True Love

Carl Perkins

True love (Your love)
True love (Your love)
True love, baby
That's what you give to me True love (Your love)
Your love (Your love)
True love, baby
That's what you give to me God made the world
And he made it round
I got my baby
And I'm glad I found Her love was meant for me
And my baby, she'll always be She gives me true love (Your love)
True love (Your love)
True love, baby
That's what you give to me Uh, true love (Your love)
Your true love (Your love)
True love, baby
That's what you give to me True love (Your love)
Your love (Your love)
Your love, baby
That's what you give to me Love was made, I don't boast
When He made you, He made the most
You've got that certain touch
To me, baby, you mean so much You give me true love (Your love)
Your true love (Your love)
True love, baby
That's what you give to me
Well, all right True love (Your love)
Your true love (Your love)
True love, baby
That's what you give to me Well, the big
The little, young and old
They all need something
To have and hold When I found you, I found that
You gave me loving I can't forget You gave me true love (Your love)
Your true love (Your love)
True love, baby
That's what you gave to me Your true love, baby
That's what you gave to me
