Out of the Woods

Psilodump

I wish you out of the woods
And into the picture with me
I wish you over the moon
Come out of the question and be
If this is going to
Run 'round in my head
I might as well be dreaming
Run 'round in my head
I roller coaster for you
Time out, mind must be heavenly
It?s all enchanted and wild
Just like my heart said ?t was was going to be
If this is going to
Run 'round in my head
I might as well be dreaming
Run 'round in my head

If this is going to
Run 'round in my head
I might as well be dreaming
Run 'round in my head
I wish you out of the woods
And into the picture with me
I wish you over the moon
Come out of the question and be
If this is going to
Run 'round in my head
I might as well be dreaming
Run 'round in my head
If this is going to
Run 'round in my head
I might as well be dreaming
Run 'round in my head
