

# The Wind Is Low

## Iron & Wine

You you strong like a  
Me keeping every word  
You doubt every single word  
We countin' the words  
We sail in a small boat  
Just when the wind is low You see from the sparrow's height  
Me seeking you every night  
You sailing towards the sun We sailing in a small boat  
Just when the wind is low We sailing in the smallest boat  
Sailing just when the wind is low
